Dear Noel

Just to be sure you have a copy, an article that appeared in
Chemical Week magazine is inclosed.

So that you'll know that Asbestos is not the only contaminat~~ed~~^{ed},
a second article from O.P. & D Reporter assesses a share of the
blame on trees.

My answer to the problem is: if you have enjoyed a good life
while working with asbestos products why not die from it. There's
got to be some cause.
