Dear Administrator Pruitt,

On behalf of the member companies of ITI, we would like to invite you to stop by our 2017 Tech Show on Wednesday, May 17, 2017, anytime from 6:00 p.m. to 9:00 p.m. at the Carnegie Library, 801 K Street, NW.

As the global voice of the tech sector, ITI advocates for public policies that advance innovation, open markets, and enable the transformational economic, societal, and commercial opportunities that our companies are creating. The 2017 Tech Show will be our largest yet – bringing together some of America’s best brands, including Autodesk, Google, IBM, and Visa alongside non-profits and universities to showcase the technologies driving the American economy. As our guest, you will have an opportunity to immerse yourself in virtual reality, the future of smart cities, connected vehicles, and health advancements. Best of all, you will get to experience the tangible, positive impacts of these technologies.

We look forward to seeing you at the ITI Tech Show should your schedule permit. This is a free event. If you are required or would prefer to pay the fair market value of attending this event, please contact Jennifer Bodie jbodie@itic.org.

Sincerely,
