GENERAL TERMS AND CONDITIONS OF SALE OF:
G + W BONNEY FORGE
GULF + WESTERN MANUFACTURING COMPANY
(hereafter referred to as "EPG")

WARRANTY	All EPG products are warranted to be free from manufacturing defects for a period of one (1) year from date of shipment and any found to be defective within that period will be replaced without charge, provided (1) that the product was used as recommended and in accordance with approved installation and operating practices (2) that its failure resulted from a manufacturing defect and not from damage due to corrosive, abrasive or other wear normally to be expected in the services involved, and (3) that written notice of such defect is delivered to EPG during such one (1) year period. No labor cost or other expense or liability will be assumed. The Uniform Commercial Code shall not apply to this sale nor the Illinois statutes adopting the Uniform Commercial Code. This express warranty is in lieu of and excludes all other warranties, guarantees, or representations, express or implied. There are no implied warranties of merchantability or of fitness for a particular purpose.
PURCHASER'S REMEDIES	The Purchaser's remedies with respect to any product furnished by EPG hereunder that is found not to be in conformity with the terms and conditions of the contract because of breach of contract, breach of express or implied warranty, or negligence shall be limited exclusively to the right of replacement of such defective product or, at our option, repayment of our sale price of the product. In no event shall EPG be liable for claims (based upon breach of contract, breach of express or implied warranty, or negligence) for any other damages, whether direct, immediate, foreseeable, consequential, or special or for any expenses incurred by reason of the use or misuse, sale or fabrication of products which do or do not conform to the terms and conditions of the contract.
PRICES	Prices, and other terms of sale and payment, are subject to change without notice. Unless a contrary provision appears in this price schedule, quotation or order acknowledgment, prices may be withdrawn without notice at any time. Stenographic or clerical errors are subject to correction.
ACCEPTANCE OF ORDERS	All orders are subject to EPG credit department approval prior to acceptance by EPG. No assignment of the Purchaser's rights may be made without the written consent of EPG.
REMITTANCES	All accounts are payable in United States funds, free of exchange, collection, or any other charges. If, in the sole discretion of EPG, the financial condition of the Purchaser at any time so requires, EPG retains the right to require full or partial payment in advance.
PARTIAL SHIPMENTS AND PAYMENTS	EPG reserves the right to make partial shipments from time to time, and to render invoices therefor which shall be due and payable as provided in said invoices and the paragraph entitled "Remittances." If the Purchaser becomes overdue in any such partial payment, EPG shall be entitled to suspend work and/or avail itself of other legal remedies.
TAXES	Unless otherwise specifically noted, the amount of any sales, use, occupancy, excise tax or other tax of any nature, federal, state or local for which EPG is legally liable, either initially or through failure of payment by Purchaser, shall be added or be in addition to the price quoted and Purchaser agrees to pay the same to EPG.
SHORTAGES AND DAMAGE IN TRANSIT	Claims for shortages must be made in writing within ten days after receipt of shipment, but loss or damage to materials in transit is the responsibility of the carrier.
DELAYS	All promises of shipment are estimated as closely as possible, and we will use our best efforts to ship within the time promised but do not guarantee to do so and assume no liability for not doing so. Materials stated to be in stock are subject to prior sale.
CANCELLATION AND SUSPENSION	The order or contract is subject to cancellation or instructions to suspend or delay work or delivery only upon receipt of written notification and with our consent and upon agreement to pay EPG's adjustment charge. Orders for special products (usually once on application items) may be changed and/or canceled only upon receipt of written instructions with a tacit understanding and agreement to make payment for material used and work already performed.
RETURN OF MATERIAL	No product of our manufacture may be returned without our written consent. All goods returned are subject to a handling charge plus freight in both directions and charges for any required reconditioning, unless otherwise specified in writing by EPG.
PATENTS	The Purchaser will indemnify and hold harmless EPG against and from any judgment for damages and costs which may be rendered against EPG in any suit alleging infringement of any United States patent by any product supplied by EPG under the contract and made in accordance with the design and specification furnished by the Purchaser to EPG.
GOVERNING LAW	The contract shall be governed by, construed, and enforced in accordance with the laws of the State of Illinois.
NO WAIVER	The failure of EPG to insist, in any one or more instances, upon the performance of any of the terms, covenants, or conditions of the contract or to exercise any right thereunder shall not be construed as a waiver or relinquishment of the future performance of any such term, covenant or condition or the future exercise of such rights, nor shall it be deemed to be a waiver or relinquishment of any other term, covenant, or condition or the exercise of any other rights under the contract.
DIES, TOOLS AND PATTERNS	Dies, tools, and patterns required to produce the article quoted on shall remain the property of EPG. Preparation charges or charges for dies, tools, and patterns represent only a portion of cost. Payment of such charge does not give you any right, title, or interest in such dies, tools, or other products of preparation. We will not be responsible for retention of dies or patterns on which no orders are received for two years or more.
FORCE MAJEURE	Any delays in or failure of performance of EPG shall not constitute default or give rise to any claims for damages if and to the extent that such delay or failure is caused by occurrences beyond the control of EPG, including, but not limited to: acts of God or the public enemy, expropriation or confiscation of facilities, compliance with any order or request of any governmental authority, acts of war, rebellion or sabotage or damage resulting therefrom, embargoes or other export restrictions, fires, floods, explosions, accidents, breakdowns, riots or strikes or other concerted acts of workmen, whether direct or indirect, or any other causes whether or not of the same class or kind as those specifically above named which are not within the control of EPG and which, by the exercise of reasonable diligence, EPG is unable to prevent or provide against.
PURCHASER'S ACCEPTANCE OF ABOVE CONDITIONS	The contract shall be subject to the terms and conditions contained or referred to in EPG's price schedule, quotation or order acknowledgment, and to no others whatsoever. No waiver, alteration, or modification of the terms and conditions in this price schedule, quotation or order acknowledgment shall be binding unless in writing and signed by an authorized representative of EPG.
NUCLEAR	Where the products, engineering design or fabrication is for nuclear plant applications, Buyer agrees: (a) to add and maintain Seller as an insured under the Nuclear Energy Liability Property Insurance Association's policies for liability and property insurance and under the Mutual Atomic Energy Liability Underwriters (MAELU) policies for liability and property insurance, and if Buyer fails to do so, Buyer shall hold Seller harmless against all such losses which could have been thus covered; (b) Buyer agrees to hold Seller harmless with respect to any personal injury (or death), property damage or other loss which is caused directly or indirectly by defective design, material or workmanship furnished by Seller and which is covered by insurance maintained by Buyer (or which could be so covered but with respect to which Buyer has elected to self-insure), and further agrees to waive subrogation by its carriers of such insurance against Seller; (c) to indemnify and hold Seller harmless against all nuclear hazard losses sustained by third parties and for which Buyer could not obtain insurance coverage; and (d) that the liability of Seller for any nuclear hazard loss sustained by Buyer and for which Buyer could not obtain insurance coverage shall not exceed the value of the material furnished by Seller at the time of the loss, provided however, in no event shall Seller be liable for any consequential, incidental, interest or special damages.

Your Inquiry #120-1981-13

MS/81/CC-Q001

12-12-80. List less 5%.

Seamless carbon steel pipe according to ASTM A53 Grade B in double random lengths with plain ends bevelled.

2" - 4" Van Leeuwen sheet dated 12-12-80.
List less 3%.

5" and larger Van Leeuwen sheet dated
12-12-80. List less 5%.

Seamless carbon steel pipe according to ASTM A106 Grade B in double random lengths with plain ends bevelled.

2" - 4" Van Leeuwen sheet dated 12-12-80.
List less 3%.

5" and larger Van Leeuwen sheet dated 12-12-80.
List less 5%.

Seamless Carbon Steel Buttweld Fittings according to ASTM A234
Grade WPB.

Tube Line #35 dated January 1980 .3242 multiplier,
except Tees and Caps.

Van Leeuwen sheet dated 12-12-80 net prices with
applicable multiplier shown.

Forged Carbon Steel Flanges according to ASTM A105, ANSI B16.5.

Ladish #79-10-1 dated December 28, 1979 .3234 multiplier.

Forged Carbon Steel Fittings 3-6000# Threaded, 3-6000# Socket
Weld ASTM A105.

Standard Fittings sheet dated May 26, 1980 .3325
multiplier.

Please note our general terms and conditions of sale.

Time of delivery: Stock, subject to prior sale

Delivery : F.O.B. jobsite Corpus Christi, TX

Payment terms : 2% 10, net 30 days

Notes:

- A. The prices quoted will apply to standard stock items normally maintained in Van Leeuwen's inventory program.
- B. Specialty items not maintained within Van Leeuwen's inventory program will be subject to pricing and delivery terms as negotiated at the time of inquiry.
- C. Normal inventory items which are required for immediate delivery but are not available from stock will be furnished on a cost plus 10% basis.

Sun Petroleum Products Company
L. L. Glasgow

January 9, 1981

D. Prices entered are firm for purchase through:

Fittings & Flanges - June 31, 1981
Pipe - March 31, 1981

E. Escalation will be equal to and substantiated by published industry wide and accepted manufacturer's price sheets.

F. Implementation of escalated pricing will be subject to 30 days written notice of increase for your approval.

G. Verbal order placement is acceptable, however, written confirmation is requested by designated personnel at Sun Petroleum Products Company.

H. Inventory items ordered before noon will ship same day for next day delivery, items ordered after noon will ship next day for following day delivery.

I. Material will be delivered by motor freight carrier on the following basis:

1. Freight prepaid - Fittings & Flanges and single random lengths of pipe, freight allowed. Less than 5,000 lbs. of double random lengths plus approx. \$65 delivery.

2. Freight prepaid and charged to customers account will be supported by the proper third party invoices.

J. All material will be new and unused and will be furnished with either mill test reports or certifications of compliance to specifications when required.

K. Any contract resulting from this quotation will be subject to cancellation at any time prior to the stipulated termination date based on 30 days written notification by either party with due cause.

L. Material cancellation and return:

1. Inventory items may be cancelled at no charge prior to shipment.

2. 10% of a line item may be returned at no charge with the balance being accepted for return based on 15% restocking charge plus outbound freight.

Van Leeuwen Products Company
L. L. Glasgow

Page 4
January 9, 1981

3. Non stock or special items, or stock items purchased due to excessive quantities will be accepted for return or cancellation based on terms and conditions negotiated at the time of written request for return.
 4. All requests for return will be submitted in writing and material will be accepted for return only after written approval is given.
 5. All material will be returned in a resaleable condition. Any charges necessary to return material to resaleable condition will be charged to buyer's account.
- M. All material furnished will be of foreign origin and manufacture with a few exceptions with the names and address of the manufacturer being made available on request.

If you should require additional information, please do not hesitate to call.

We look forward to doing business with you in the near future.

Sincerely,

VAN LEEUWEN PIPE AND TUBE CORPORATION

Marvin Scott
