Good deal. Can I actually call you on something unrelated?

Gail Good, Director of the Bureau of Air Management would be the best contact.

Direct line - **Ex. 6**

Feel free to give her a call when you have time. Also, Pat Stevens is our Division Administrator for Air and Water. Gail may reference him as well. Both should be helpful but please let me know if you need anything else from me.

Thanks,

Kyle

Can you point me to your technical poc back in the state on this issue? I need to get a menu of workable options from them.
