Denver, Colorado 80217

Health, Safety & Environment Department

September 16, 1975

Mr. Paul Bowarly
General Electric Company
1 Progress Road
Shelbyville, Indiana 46176

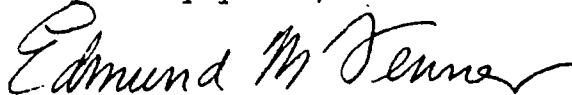

Dear Mr. Bowarly:

J. R. Roberts has requested that I forward to you information on asbestos and health.

In accordance with this request, I enclose our Environmental Facts folder on asbestos. This folder contains many articles and descriptive literature on asbestos and health.

Please contact me in Denver if this information is insufficient for your purposes.

Very truly yours,

Edmund M. Fenner, Director
Technical Affairs
