RE: Invoice # 03455/Project # 2240-003 (1410006)

Dear Has:

I have been advised by our collections department that you have a payment still outstanding relative to work that we did on the vinyl chloride project. The original invoice was for \$5361.76 and CMA made a partial payment of \$4000, leaving an outstanding balance of \$1361.76. We would like the remaining balance submitted as soon as possible.

If there was a problem with the services provided or if you have other issues that you would like to discuss, please feel free to call me. We would appreciate it if you would expedite payment as promptly as possible.

Thank you for your assistance.

Sincerely yours,

ENSR Health Sciences
