The 83rd edition of MacRae's Blue Book has been thoroughly up-dated to provide you the latest obtainable information on over 50,000 companies offering products and services to American Industry. In addition to headquarters location, listings include primary products and services, telephone numbers with area codes and locations and telephone numbers of sales office and distributors if provided by the listing company. Listings of companies who are advertisers in MacRae's are published in bold-face type. When provided, MacRae's also publishes invested capital ratings of listing companies. (See "Key To Invested Capital Ratings" in Volume 1.) If you notice any omissions or errors in this directory, please notify MacRae's and provide us with the name of the individual in your company to whom we should address forthcoming listing forms for correction.

MacRAE'S Blue Book lists all U. S. manufacturers four ways:

1. Alphabetically by COMPANY NAME (including capital rating denoting approximate size) and extensive listings of telephone numbers of nearest branch and/or sales offices. (Volume 1)-
2. Alphabetically by TRADE NAME (Volume 1)
3. Alphabetically by PRODUCT CLASSIFICATION—Vols. 2, 3 and 4.
4. Catalog Pages Alphabetically by COMPANY NAME—Volume 5.

In addition to the four base reference volumes, this edition of MacRae's includes a Catalog Index (Volume 5). Incorporated in Volume 5 are thousands of pages of detailed catalog information provided by MacRae's advertisers. Catalog information is organized alphabetically by manufacturer's name.
