Dear Ms. Isenhour:

Dr. Feldman and I enjoyed our meeting with Dr. Kehoe last week and we are especially grateful for his permission to allow us to follow-up the current health status of these lead-exposed subjects. It is my understanding that there is a list of names of the participants in his study, a list which may or may not include current addresses. I would greatly appreciate it if you could send us this list and any ideas on these individuals' whereabouts should the list be devoid of addresses.

I thank you for your assistance in these endeavor and will await hearing from you. I hope you have a very pleasant holiday.

Sincerely yours,

Patricia H. Travers, R.N., M.S.
