You are Sooooo Cool!

I really like working with you because you have my Aunt's remarkable and dry sense of humor!

Have a good weekend. My Mom is doing much better so I will have a better one than recent past.

Thanks,

I don't think I have seen the word Heaven and the Shanghai Health Study in the same paragraph before.

Congratulations, Howard. You and your colleagues have earned a spot in Heaven. BUT, don't run off just yet. I think we can all expect more adventures and misadventures with the SHS. Look forward to working with you, the OC and others to get this across the finish line
