Re: WS# 09-000-1264

Dear Ms. Henriksen:

In reviewing the above referenced waste stream, I noted that the waste was incorrectly listed as non hazardous per RCRA. Asbestos is a listed waste, EPA hazardous waste code U013. The state waste stream number should therefore be changed to 979350.

If you have any questions, please call me.

Sincerely,

Richard G. Campbell
Senior Environmental Specialist
