Dear Walter:

As you know, the dates for the Spring Meeting are fast approaching and we, at American Brakeblok, always consider this a great opportunity to renew old friendships and make new ones where possible.

We recognize that most of the time this affair is usually scheduled with important functions and items of discussion. However, we see that on Saturday night, April 30th, there is no planned function following the cocktail party. We, therefore, would appreciate you and your wife being our guests for dinner at 8:00 p.m. in the Explorer's Club located in the PGA Sheraton. I will be talking to you to confirm that you will join us.

Look forward to seeing you soon.

Sincerely,
