Aihe: RE: Meeting request to discuss PFAS restriction

Reg. no. Tukes 2473/04.00.00/2023

Dear Mr. Kraußlach,

Dr. Räisänen forwarded your message to me as my group is mainly involved with the proposal from Tukes. I apologize for the late reply and thank you for your request for a meeting with the Finnish Safety and Chemicals Agency to discuss the restriction proposal for all per- and polyfluoroalkyl substances (PFASs).

We do not consider that a meeting at this stage would bring added value and, therefore, politely decline for the request. However, we consider that stakeholder input and relevant data is important for the regulatory process and outcome. ECHA's public consultation on this restriction proposal will probably start later this month. We advise you to use the formal mechanism for consulting stakeholders in order to make the information you provide available for all the relevant bodies at the appropriate stages of the process. Please consult the ECHA websites at <https://echa.europa.eu/fi/-/echa-publishes-pfas-restriction-proposal> for more information on this restriction proposal.

Best regards,

Pauli Kärkkäinen

Aihe: Meeting request to discuss PFAS restriction

Dear Dr. Räisänen,

I am contacting you on behalf of [DuPont](#), a premier multi-industrial company.

Within the EU, DuPont has significant polymer based (non-fluoropolymer) production assets used for health and human life applications.

Ahead of the public consultation on the universal PFAS restriction, DuPont has generated a socio-economic analysis including an analysis of potential substitutes, together with a solid data package which covers mobility, exposure, and risk assessment for two PFAS used in the manufacturing process for these applications.

Beyond the existing risk management, DuPont is actively prioritizing substitution and exploring options for removing PFAS from its manufacturing processes.

We would like to present to you the current generated data and discuss with you this unique case to facilitate the regulatory efforts on the PFAS restriction.

Would it be possible to arrange a face-to-face meeting in the coming weeks? I shall be in contact with your office in the coming days to follow-up on this meeting request.

Kindest regards,

Sebastian Kraußlach
