Hi Cole,

It was great meeting with you this morning, and I'm planning on attending today's NGGS demo in person at 10:30AM. We'll put through the order for the Oracle SQL Developer client to be installed on your laptop for SQL access.

Below is the connection information to the Oracle NGGS Grants DataMart that you will use to connect after the Oracle SQL Developer client is installed on your computer.

I will see you soon.

Thanks,
Kevin
