WHAT MR. DURKEE SAID TO MRS. DRUMMOND

• "Good morning, Mrs. Drummond. I want you to accept this bottle of Durkee Famous Dressing... with my compliments. It was prepared according to my own special formula. My family and many of our friends have used it for years with hot and cold meats; fish; lobster; sea foods; sandwich fillings of all kinds; and vegetable, fruit, and meat salads. I think you will find its flavor very distinctive."

• Thus, in 1860, Mr. E. R. Durkee introduced his new Dressing to the housewives of suburban New York. Today, it is world-renowned. Its pleasing zest and flavor come from the expert blending of 12 selected Durkee spices, aged 6 months in casks of mellow vinegar, then combined with other pure,

wholesome ingredients. This precious formula is known only to Durkee Famous Foods, a division of The Glidden Company.

• In addition to Durkee's Famous Dressing, the Durkee line also includes the food products listed below...supplied in large volume to the public as well as to the nation's manufacturing trade.

• Once renowned exclusively for fine paint products, Glidden today is an important factor in the food business... and in a wide variety of other highly successful American industries.

stick with...

Clothed in tradition...backed by common sense...is the custom of enjoying a "Scotch and soda" before dinner. And of all the good Scotch whiskeys, there's none better for this pleasant purpose than Johnnie Walker. Smooth, tangy, bracing...it whets the appetite and warms the spirit.

And, of course, after dinner you'll find the knowing ones sticking with Johnnie Walker. For no whisky "sits better" after food and drink. All Johnnie Walker Scotch Whisky is DISTILLED, BLENDED AND BOTTLED IN SCOTLAND under British Customs supervision. Red Label is 8 years old; Black Label, 12 years.
