DOC#: ABX217

DOCUMENT DESCRIPTION: Internal Letter RE Inability to get Original Materials on Asbestos Sampling and Evaluating

December 18, 1975

Mr. Charles L. Curtis
Plant Engineer
FPG - Winchester

My attempts to get original copies of the attached materials on asbestos sampling and evaluating were to no avail. To prevent further delay, I am forwarding reprints on asbestos and illumination which appear to be legible.

If you need any further information, please let me know.

M. David Gidley, Manager
Industrial Hygiene and
Environmental Control
