

1 A Yes.

2 Q Do you recall how long you worked there?

3 A I was out there about six months.

4 Q And were you a foreman on this job?

5 A No.

6 Q What was being -- was the building being
7 constructed, new construction?

8 A Yes, new construction.

9 Q What were you doing? What was your specific
10 job?

11 A I was an insulator mechanic.

12 Q Were you working in any particular area?

13 A Yes. I worked in the boiler room and in the
14 pipe chase most of the time out there.

15 Q And what types of asbestos products would
16 you use or be exposed to?

17 A The block material and the pipecovering and
18 the cement.

19 Q How many other mechanics were working in the
20 boiler room in the pipe chase area?

21 A Three.
