The Manager,
WITTENOOM.

PRIVATE - P.702.
8th January, 1962.

DUST COLLECTION: The meeting between representatives of this Company, the Mines Department and the Health Department took place this morning at 10.00 a.m. General satisfaction was expressed by the Mines Department as to the progress being made.

The general outline of the rehabilitation programme being carried out was accepted and it was further agreed to hold another meeting in July, following the visit to Wittenoom of the mobile laboratory.

General Superintendent.
