INTERNAL MEMORANDUM

SHOW NAME, TITLE AND CORPORATION OF ADDRESSEE AND ADDRESSOR DATE: May 6, 1983

TO: [redacted]
J. Hennessy
L. H. Dorsett

FROM: E. E. Barth

SUBJECT: Plant of Manufacture - Product Code Listing

PLAINTIFF'S EXHIBIT E-204

Subject listing was prepared for use by The Rockbestos Organization as a reference for placing orders on the individual plants.

From time to time, it is necessary to revise this listing as circumstances warrant; however, orders for products should not be shifted between plants unilaterally. When the designated plant cannot manufacture a product, refer the item to the writer, who will promptly investigate and revise the listing to prevent recurrence.
