[REDACTED]

Certainly. I thought it would be easier to have an in-person exchange, but let me set up a Teams meeting now.

Needless to say, if we find it is finally possible to meet in person later on, feel free to let me know.

Thank you again for your quick reaction. Look fw to the discussion.

Rgds,

Dear [REDACTED]

Thank you kindly for your prompt response and interest in having this discussion.
November 18 should work perfectly, I hope 10am works for your agenda. I will share a place around Schuman, but otherwise please feel free to indicate area of preference (and your colleagues, provided they are keen to join).

Place: Papillon, Schuman Bruxelles (link to [Maps](#))
Time: 10:00a.m- 11:00a.m

I take this opportunity to introduce Mr. [REDACTED], responsible for EU Public Policy & Government Relations at MSD Animal Health and Mr. [REDACTED], Account Director on Chemicals, FIPRA. They will both join this meeting.

With kindest regards,

[REDACTED]

Ministry of Climate, Environment, Sustainable Development and Green Deal- Belgium

Dear Ms. [REDACTED], Mr. [REDACTED]

Good morning, I am contacting you on behalf of Fipra International, a public affairs company supporting projects pertaining to the EU Green Deal, particularly those furthering the Chemicals Strategy for Sustainability. We are currently working alongside MSD Animal Health Europe on the PFAS restriction proposal set for January 2023 and its expected vast impact across the industry, specifically for animal health medicinal products.

I last emailed Mr. [REDACTED] but due to his current absence I was redirected to your contacts.

Daily developments have made evident the need to address PFAS contamination, with increasing environmental and social concerns, while at the same time balancing the need to ensure the availability not sure of critical products in the European market.

Ms. [REDACTED] Mr. [REDACTED], considering the relevance of the matter and complexity as well as expected impact of the restriction not just in Belgium but across EU, we would like to ask if we could have a brief meeting or call in the next two weeks (November 15-20 aprox) to get your views and share our position.

Additionally, on **December 6, 2022** we will be organizing the following closed-door event “**PFAS: The challenge for highly regulated and essential sectors**” (Chatham Rules apply- concept note attached) with expected speakers on behalf of:

- Animal Health Europe
- EFPIA
- COCIR
- Digital Europe

The panel discussion will be moderated by former Executive Director of ECHA, Geert Dancet.

We would most appreciate your participation at this event and hope to find a chance to engage on this matter in any of the dates provided.

Look forward to your reply.

Kind regards,

[REDACTED]
