James and Katharine,

The Institute Policy Integrity is a non-partisan think tank dedicated to improving the quality of government decisionmaking through advocacy and scholarship in the fields of administrative law, economics, and public policy.

We submitted the attached comments in response to the proposed repeal of ONRR's coal valuation reform and ONRR's advanced notice of proposed rulemaking. We wanted to make sure that you had a copy of them as well.

We would be more than happy to meet with you or have a phone call to discuss these issues further. Please let us know if you would like to set up a time to talk.

Many thanks,

Bethany
