REQUEST FOR TECHNICAL REVIEW OF QUOTATIONS

cc: Julio Serra-Jones (7)

To: Engineering Dept. Syed Alam

From: L. J. Ewing Buyer

Ref. No.: 2102-105

Date: July 22, 1977

85-2102

Please review the attached bids for the following items:

Asbestos Rope and Gaskets for compliance with B/M 554-101.

Johns-Manville is a sole source supplier.

This is under $10,000 and does not require ASARCO'S APPROVAL to purchase.

Furnish a technical evaluation of each bid and state which offerings meet specification requirements and which do not.

The evaluation is subject to audit by the U. S. Government. While only those bids meeting specification requirements are eligible for consideration, the burden of proof is on the Reviewer to justify in writing the rejection of any bid on technical grounds.

If any further information or clarification of any bid is required from the vendor, such information must be obtained by the above named Buyer.
