Health Report

A copy of page 7, Chemical Week magazine of October 8, 1966, disclosed a couple of letters relating the article appearing in the same periodical on Sept. 10, 1966.

This may help to quiet the fear that was aroused by Dr. Selikoff's eligibly re-port on "Lung Cancer from Asbestos".

The Purchasing Department has a file on the entire subject including the Canadian Health Department report of May 30, 1949, when the subject was previously limited.
