Re: Nevada Power Company v. Monsanto Company, et al.
USDC, District of Nevada Case CV-S-89-555-LDG (LRL)

Dear Dr. Peterson:

After our telephone conference last week, I doublechecked our schedule as put forth by the Judge in this case, and discovered that there is no leeway to reconcile your available dates to the dates directed in the discovery schedule. Therefore, we are withdrawing your name as an expert in this case.

I am very sorry to inform you of this, for it would have been a privilege to work with you. If you have any questions, please call me at (702)386-3369.

Sincerely,

BRADLEY & MERRELL
