Thanks Scott Adkins.

Sydney – thank you for working with Scott to arrange a meeting for CGI. We understand the Administrator is very busy in his new position. CGI's executives are available at a moment's notice, should his schedule allow.

In the meantime, please let us know how to proceed with scheduling the meeting.

Respectfully,

Thanks so much Sydney and Byron! This will be great. We really appreciate the help from everyone. Sorry just getting back to you, been off the grid for a couple days.

I'm adding Scott Klein and Jason Neerman to this distribution. Scott Klein is with CGI Federal and will be coordinating the times, dates, and attendees for scheduling. Jason is my contact with CGI. He is from Broken Arrow and his family still lives there.

Thanks again for everything you all are doing to help Administrator Pruitt.

Scott

Thanks Scott! Looping in Byron Brown who will be covering the meeting. The Administrator will likely not be in attendance. We have a lot of travel over the course of the next several months but if he happens to be in town when you all get the meeting set up, I will add to his calendar to drop by.

Thank you!
