Subject: Meeting

Hi. The Administrator's office asked me to follow up with your meeting request. Unfortunately the Administrator is not available. His schedule is very full.

However, David Kreutzer and I would welcome a meeting with you. David was on President Trump's EPA's transition team and is now a political appointee in our main Policy Office. I am EPA's chief economist.

I am CC'ing Natalie Durham my administrative assistant to help with scheduling. Natalie please give this meeting top priority in terms of scheduling. Monday afternoon or Tuesday should work.

My cell phone is 202-577-8510. Feel free to call if you want to discuss, even over the weekend.
