Re: Grievance No. 700307, Owentown Plant #7

Dear Mr. Stokes:

It appears our schedules are conflicting in regard to the pending grievance meeting at Tyler.

I believe the week of November 23 will also have to be eliminated, due to the fact that Mr. van Horne will be on vacation that week and it is also a holiday week, which makes traveling a little difficult.

I am as anxious as you are to hold this meeting and resolve the issue, but I feel we will have to wait until the week of November 30 to do it. I would suggest Wednesday, December 2, at 10:00 a.m. as the best possible day during that week.

I hope this date is agreeable and you are able to confirm.

Very truly yours,

W. J. Farkos
