IDENTIFICATION

Employees will wear an identification badge in full view on an outer garment at all times. Non-badged contractor's personnel entering and leaving the site will fill out and sign the Pedestrian and Vehicle Log.

SECURITY

Regular security checks will be conducted. Employees will open all packages such as lunch buckets, coolers, boxes, etc. upon request.

Contractor's and contractor's employees vehicles will be subject to inspection upon entering or leaving the plant premises.

Owner will not be responsible for the loss or theft of tools or other personal belongings of contractor's employees, either in the plant or in the parking lots.

WORKING HOURS

The regular hours of work will be from 8:00 a.m. to 4:30 p.m., Monday through Friday.

The lunch period will be from 12:00 noon to 12:30 p.m.

LOITERING

Loitering in change houses or other late starting to work and early quitting will not be tolerated. Loitering on the jobsite before or after the assigned shift is prohibited. Employees violating this rule will be subject to disciplinary action, including discharge.

SAFETY

Good housekeeping is essential to the safe and efficient construction of the job and is the responsibility of each employee.

Work areas, stairways, walkways and change rooms shall be kept clear of obstruction, such as scrap pipe, lumber, welding rods, rags and other debris at all times.

The "Construction Safety Handbook" (blue book) issued on employment is an integral part of these rules and regulations and will be observed and followed by all employees.

At all times while on the plant site, each of the contractor's employees shall carry a chlorine escape respirator which will be furnished by the contractor.

Contractor's employees shall wear approved hard hats and safety glasses with attached rigid side shields while within the work area. In addition, all personnel must have chemical monogoggles in their possession at all times. These items shall be furnished by the contractor for his personnel.

Contractor's personnel shall comply with posted area safety rules when working in operating areas.

Smoking by a contractor's employee in other than designated area shall be considered cause to require the contractor to remove the employee from the site.

FIRST AID

First aid facilities are available at the First Aid Station located at the south side of Building 94. **All injuries, regardless of how minor, must be reported to each employee's supervisor and to the first aid attendant.** Owner shall provide first aid Monday through Friday from 8:00 a.m. to 4:30 p.m., except for recognized craft holidays. An on-site paramedic shall be available at the above times. At all other times, the contractor shall provide his own first aid.
