Kim,  
Some time next week would be a good time to catch up. Several key folks are out this week and I want to engage with them on it next week.

Thanks,

Hi Scott,  
I hope you had a nice holiday and enjoyed time with family and friends!

I called just now and left a message with Abby. I was hoping we could chat about the DRAFT memo I wrote. You had asked for it when we met a couple of weeks ago.

I tried to keep it informational for the bureaus and offices; while letting them know the Dept was supportive of the legislation and encourages the use of this new authority to build a partnership with NOWCC.

I'm talking to some of the bureaus and offices about a potential pilot program; I think this memo from the Department would be very helpful for them.

Please let me know when you might be able to chat. I left my number with Abby.

Thanks again for your time and help in this endeavor! I really think this is a great tool for the bureaus/offices to accomplish critical mission work while budgets adjust and organizations restructure.

Best, Kim

Sounds great Scott, thanks. Should I ask Abby to set up a time?
