AGENDA FOR OSHA COMMITTEE MEETING

Bill Speas Conference Room
February 23, 1977 - 10:00 a.m.

1. NEP - Still in effect Tyler area office will make the investigation.
2. Idaho court injunction on OSHA.
3. Asbestos - core room usage on B & P core machine.
4. Insurance inspection on January 26 & 27.
5. Noise Survey in plastics shows that noise levels are excessive.
6. Fork trucks - leaving them running when operator is within sight. It is not only a violation of OSHA, it also wastes fuel.
7. Guide lines for possible enabling the nurse to send persons home if the rest will quicken their recovery time and not charge lost time.
8. Other items committee would like to discuss.
