DIS-XIII-35

H. K. PORTER COMPANY, INC.

THERMOID DIVISION

DATE July 8, 1970

TO Frank Williams LOCATION

FROM J. W. Echerd AT Charlotte

SUBJECT PUBLICATIONS BY "THE ASBESTOSIS RESEARCH COUNCIL" AND "THE BBA GROUP INDUSTRIAL HEALTH UNIT".

Enclosed are "hand-made" copies of publications from above Groups. We have ordered additional copies of all listed publications by The Asbestosis Research Council. This includes Codes of Practice, Technical Note, and Control & Safety Guides. A copy of each will be forwarded when available.

Please keep me informed on the status of the Portersite Project and progress being made in obtaining approval to have the Vibrator Tester demonstrated at a Navy location.
