Ryan,

Thanks for your outreach. It has definitely been good to begin to get to know Senator Inhofe, and I admire his leadership on the Lautenberg Chemical Safety Bill, and appreciate your constructive role on that as well.

I would suggest that you and Elizabeth, copied above, discuss next steps re your invitation.

All best,

Fred

All, Administrator Pruitt asked me to reach out to you to check on your availability to meet for coffee to establish a relationship between EDF and him.

He appreciated me recounting the story of when I was working for Senator Inhofe, how Senator Inhofe called Fred unexpectedly prior to an EDF board meeting simply to report on the status of negotiations at the time of the TSCA update. It's a much broader environment here now than negotiating the Lautenberg Act, but the Administrator was interested in meeting to try to build a relationship and identify common ground and items on which we can work together.

I appreciate your consideration. I can also be reached Ex. 6 - Personal Privacy anytime.

Ryan.
