We've got the commissioner of ag, as well as county commissioners change their schedules to be there Aug 2nd. 25 ranchers, farmers, and friends of agriculture have committed to be there for the event. Ship has left the port. Need you to push to make this happen Aug 2nd.

Tate, please disregard the last email and attachment. I'm attaching the updated version here and pasting below. -Scott

Overview:

Date: Wednesday, August 2, 2017

Time of arrival: 10:00am Mountain time

Venue: Frasier Ranch - cow/calf and stocker operation

Street Address: 5727 Hwy 71, Woodrow, CO, 80757

Owner: Mark Frasier

Audience: 20-30 attendees (estimated)

- Agricultural stakeholders – ranchers, feedlot operators, dairies, farmers
- Members of Congress and/or staff
- County Commissioners

Background: He had EPA visit his ranch in 2015 during the WOTUS rollout when they promised it wouldn't impact agriculture and we know how that turned out. It will be great for the Administrator to do a repeat here except he's actually providing relief to Rural America.

Timeline:

10:00am: Introductions and gather at the hay barn

10:15am: Conversation between EPA and ag stakeholders

11:00pm: Tour of Frasier Ranch –

- Stock ponds
- Grazing cattle
- Stocker cattle

12:00pm: Lunch back at the homestead (table at the barn with cold cut sandwiches, chips, drinks)

1:00pm: Goodbyes and departure

Dress code: Dress for outdoor ranch tour – Jeans, boots, button-down shirt
