

To paint costs less than not to paint.

To paint with an all-lead paint costs

least of all. Dutch Boy white-lead

makes an all-lead paint.

WHAT paint shall I use on my farm buildings? How should it be used on wood, concrete, stone, plaster, stucco? What colors are best inside my house and out?

If these questions puzzle you, as they do many others, take advantage of the facilities of our Department of Decoration. Ask any specific questions. Individual service will be gladly given. As a starter, send for our booklets—"Handbook on Painting" and "Decorating the Home." Write to our nearest branch.
