Dear Tim:

Thank you very much for your recent inquiry regarding Geon 193.

Under separate cover, you should have received 20 pounds of Geon 193, for your evaluation, as requested. If you have not received this material, please contact me.

This letter is to advise you that Geon 193 is acceptable for use under 21CFR175.300.

If we can be of any additional service, please feel free to contact either Ladd Horvath, through our resin sales office at 1-800-GET-GEON (1-800-438-4366), or me at 216/447-6215. Thank you very much for your continued interest and support of Geon Vinyl resins.

Sincerely,

THE BFGOODRICH COMPANY
