

B I R D I N C O R P O R A T E D

Memo To: W. McClung - PS

From: R. J. Carlson - BBQ

Subject: ARCH 80 - SPECIFICATION CHANGE Date: September 27, 1984

By copy of this memo you are authorized to produce Arch 80 #1 and #2 components at a net #/100 sq. ft. target weight of 90.0#. These component weights will result in a finished shipping weight of 289.8 #/sq. for the Arch 80.

Additionally, the filler content will be increased from 55% to 60% for both components.

New standard cards will be issued to reflect these changes.
