Hi Hannah –

I hope you're doing well! I am reaching out on behalf of the Lake County Commissioners in Ohio's 14th Congressional District to respectfully request a meeting with the appropriate representatives at the U.S. Department of Transportation.

The Commissioners are in Washington, D.C. this week and would appreciate the opportunity to meet in person to discuss federal funding and grant opportunities that would best serve the needs of the community. They are particularly interested in understanding how Lake County can align with DOT priorities and programs to support infrastructure improvements, enhance transportation access, and promote regional development.

They would appreciate the opportunity to engage in a dialogue on:

- Available and upcoming federal funding and grant programs
- Strategic guidance on which programs align best with Lake County's goals
- Partnership opportunities with federal and state entities

Please let us know your availability for meeting. We are happy to accommodate your schedule.

Thank you for your time and consideration. We look forward to your response and partnership.

Best,
Ashley
