Subject: RESPONSE REQUESTED: Benzene Health Study - First annual meeting in mid-2003

To all,

First Annual Meeting - I previously sent out an enquiry regarding availability for a potential meeting date in January 2003. However, delays in getting the lab established in Shanghai have pushed back the date for that meeting to the summer of 2003. This e-mail is a second query asking for your availability for potential dates in June - August 2003. Please provide an indication (Yes/No) for all the weeks in the list below. Meeting dates will likely be on 1-2 mid-week days (Tuesday - Thursday) for each of these weeks. Please respond by July 29, 2002.

_____ June 1, 2003
_____ June 8, 2003
_____ June 15, 2003
_____ June 22, 2003

_____ July 6, 2003
_____ July 13, 2003
_____ July 20, 2003
