Dear Ms. Bolen – I look forward to our AGA-NGVA meeting rescheduled for Sept. 12. In addition, would you be available to speak via phone link about the Administration’s regulatory reform plans to the AGA environmental committee on Wed. Sept. 27<sup>th</sup>? The committee includes environmental policy directors and vice presidents from utilities around the country. The fall committee meeting will be held in Colorado on September 27<sup>th</sup>, and it would be wonderful if you could call in to speak to our members. Perhaps 12:30 pm Eastern Time? The time is flexible. Please let me know if you are available that day.

Best regards,

**Pamela A. Lacey | Chief Regulatory Counsel**
