Below are the results of time and activity data taken by Biomedical and Environmental Affairs for two 20 day periods in 1987 and 1988. These numbers are an overall percentage of time spent by the department's three professionals in activities with our manufacturing facilities.

	<u>1st Period</u>	<u>2nd Period</u>
TGG	19 %	21%
JCL	30.4%	22%
MMG	28.1%	37%

Please call if you have questions regarding the above information.
