**Subject:** Comment on Dr.Dourson confirmation hearing?

I listened to Dr. Dourson's testimony today and read this as well on epa.gov:

**"Widespread Praise for Dr. Michael Dourson"**

Are you people fucking nuts? This is a Koch brother environment-destroying HITLER. He was the guy in concentration camps in Germany that told the Jews to "breathe deeply" when they were in the gas chambers. This man will end up killing people.

What a complete and utter fucked up agency EPA now is. You work for a Goebbels-type in Pruitt, and all "Seig Heil" him.

You are sick, sick, people.
