FILE NAME: Cal Portland Cement (CPC)

DATE: 0000

DOC#: CPC001

DOCUMENT DESCRIPTION: BC Notes

California Archives

1935 hearing concerns CA Inspection Rating Bureau notes increasingly significant no of cases of S'sis and A'sis and says Bureau needs (36/162 in Archives file) to determine "how each industry should pay" to cover this liability (39/162) in premiums to CIRB. State offers up to 40% discount to hygienic plants where such dust hazards are controlled (46/162) California Portland Cement was listed (144/162) as having a policy with CIRB in attachment to a letter dated May 10, 1937 excluding industrial dust diseases (142-143/162) silicosis and asbestosis. The exclusions were explicit.
