

QUEBEC ASBESTOS MINING ASSOCIATION

C/O Asbestos Corporation Ltd.
Thetford Mines, Que.
September 27, 1966.

To All Members of Q.A.M.A. Uniform, Classification &
Grading Committee.

Gentlemen:

As requested, by you, at the September 20th
meeting, I attach the revised 1966 listing of grades that are to
be tested by Sherbrooke for F.S.U.

As you know, the grades listed are those requested
by each individual Company for its own fibres. However, as agreed, if
any Company wishes to request that additional other Company's fibres
(that are in regular production) be tested for S.U. they may do
so.

Yours very truly,

W.H. Foster,
Chairman,
Uniform, Classification &
Grading Comm.

WHF/dd.
