Dave, this looks great and thanks for getting this out so quickly. Would an additional point around (b) (5) is Murkowski's comments yesterday saying that DOI should move quickly to offer an oil and gas lease sale in ANWR within the next three years (i.e., before Trump's first term ends) – if (b) (5)

Walter

Yes, it might be worth adding that (b) (5)

Gotta run - call or text my cell if you need anything else.
