Thanks—no she is flying in from rural Oregon this afternoon and back west early Friday morning. I am hoping she can join me for the Ag America/RACC luncheon tomorrow at the JW Marriott where Administrator Pruitt is to speak—any chance you are accompanying him for that?

Hi Samantha,

I tried to tweak both my Facebook post and the Retweets to include @EPA so you might be able to find both-- and I just sent you a Facebook friend request so that might be another avenue. I'll also get a few minutes at my computer today to copy both the social media posts into an email to send you.

I spoke yesterday with Kim Reed who I mentioned chairs the Republican Lawyers Association about connecting with you—I will do that separately in another email.

Finally I would like to introduce you to a former EPA Bush political appointee who is coming into DC this afternoon for a couple days. What's your calendar look like late today thru Thursday?

Jay

Samantha-

Great to meet you and the team. The Administrator was very gracious with his time-- and his message inspiring to all of us. A proper thank you letter from us is to follow, but know how much we appreciate all of you!

Mary Jo is my assistant -- copied here-- and her direct line is 202 872 3849. She can always find me.

Attached is our group photo. It's been Tweeted and posted to Facebook. Our smiles pretty much tell the whole story!
