Subject: Phone call regarding PRIA

Good morning, Nancy:

I handle pesticide issues for Chairman Conaway and I was wondering if you had time for a brief phone call to discuss the status of the Pesticide Registration Improvement Act (PRIA). I understand the this bill has been held up in the Senate for some time now, and I am interested in getting EPA's input on what might be possible in terms of dislodging it.

I would appreciate it if we could find 5-10 minutes for a call. I look forward to working with you.

Thank you,
Stacy
