I am not a member. Apparently the membership rules do not allow membership to be extended to in house lawyers. A couple of members (I know many of them) have said they have raised the issue and used me as a reference. I would think a number of their members would sign on to a letter of support.

Have you received copies of the paperwork that I submitted earlier this week?

I just finished my FBI interview.

Peter

Ryan

I look forward to working next week at EPA as an advisor to Administrator Pruitt. As I mentioned earlier, I am planning to commute most weekends back to Ohio because the flights are cheap and short. The schedule below for next week and the rest of October has me out of the office every other Friday. It goes without saying that you and Administrator Pruitt can work me on a 14 to 16 hour/day schedule during the week, and I will of course be available on call when in Ohio.

- Monday October 16, at EPA from 8:30 am to 1:00 pm for on boarding and orientation; leave for Ann Arbor, Michigan at 1:00 pm
- Tuesday October 17, at NSF International in Ann Arbor, Michigan for a prior commitment that has been cleared by Justina Fugh
- Wednesday through Friday October 18 -20, at EPA all days with a schedule being determined by Nancy Beck, but with a Wednesday evening dinner scheduled at the Environmental Law Institute which has also been cleared by Justina Fugh
- Monday October 23 at 9 am to Thursday, October 26, at 8 pm, at EPA all week
- Monday October 30 at 7 am to Friday, November 3 at 8 pm, at EPA all week

Cheers!

Michael
