Attention: Brooks Parker, Supt.

Enclosed you will find citations for violations of the Occupational Safety and Health Act of 1970 (Act) which in some instances, may have accompanying proposed penalties. Also enclosed is a booklet which explains your rights and responsibilities under the Act. As indicated on page 2 of the booklet, you may request an informal conference with me during the 15 working day notice of contest period. During the informal conference, you may present any evidence or views which you believe would support an adjustment to the citation or penalty.

If you have any questions about the enclosed citations and penalties, I would welcome further discussion at the informal conference, and, where warranted, I am authorized to enter into an informal settlement agreement which amicably resolves this matter without any litigation or contest. If you have any questions regarding the informal conference, please contact me.

If you decide to request an informal conference, please complete the form at the bottom of this letter and post it next to the citation(s) immediately after determining the time, date and place of the informal conference.

Sincerely,

C.R. HOLDER
AREA DIRECTOR
