Bob, the address below is for the EMM Admin building, which would be a good meeting location. There really isn't a good place to meet at LIB yet. If they meet at the Admin Building, they can bus or drive the people over to LIB for the tour. They could also cater in lunch at the Admin Building too. I will email Trish at EMM and will cc you. The Admin Building is that first brick building you'll come to when you come to that address.

Jason Martin also suggested that you could meet at the Wild Rose Casino and they can transport people over to LIB from there. They could eat lunch there too.

Either way works for them, just need to confirm.

Thanks Bob. Emily (cc'd) and I will be discussing with Bill when he's back in the office tomorrow...and then we'll circle back with you to confirm whether this is a go.

Can you confirm the Emmetsburg address I pasted below is the correct one? If it is, then we would likely have Bill fly in Minneapolis on Monday night so that he can spend a good portion of the next day w/ you before driving back to Minneapolis to catch a flight to Las Vegas that evening.

Josh,
We can accommodate Bill Wehrum and EPA for a visit to our Emmetsburg, Iowa conventional and cellulosic facilities on Tuesday August 28th.
Once you have the travel times defined we then can work on the visit details e.g., scope, attendees, focus items, etc.
Please let me know if you have any questions.
Thank you.
Bobc
