June 29, 1937

Mr. F. E. Wormser
Lead Industries Association
420 Lexington Avenue
New York

Dear Mr. Wormser:

Under the circumstances which you describe in your letter of June 28th, I have no objection if you make the use of my letter which you request. I am by no means certain that the results will be satisfactory, but if my letter should have the effect of diminishing the number of somewhat irresponsible pseudo-scientific articles, I should regard this use as wholly satisfactory.

Cordially yours,

RAK:ig

Robert A. Kehoe, M.D.
