Dear Mr. Mittnacht:

In reply to your letter of May 18th enclosing a letter from the Industrial Commission of the State of Illinois, I suggest that you send the Industrial Commission a notation to the effect that you have referred their letter to me, and that I will make full reply and send them reprints of our studies on the subject.

On the assumption that this will be agreeable to you, I am writing them a letter today, a copy of which is enclosed.

Very truly yours,
